Please call us for an appointment.

Last Name                      \_\_\_\_\_

Surname                      \_\_\_\_\_

Address                      \_\_\_\_\_

Area Code                      \_\_\_\_\_

Phone                      \_\_\_\_\_ Fax                      \_\_\_\_\_

Email (required)                      \_\_\_\_\_

Current occupation                      \_\_\_\_\_

Basic course completed                      yes                       no

### Important information:

- Dress code: white MPA coat or white T-shirt
- Internship days can be held at both locations. We will confirm at which location you will start on the first day with the confirmation of the date.
- Show up at the reception at 8:30
- You can eat in the cafeteria of the See-Spital or in our kitchen with something you brought with you (microwave is available). In the Enge there are various possibilities in the immediate vicinity.

Equipment of the training centre Dr. Rümmelein AG - House of Skin & Laser Medicine:

- **Typ I** Cutting (f.e. sebaceous glands, warts, etc.: with the CO<sub>2</sub>- or Erbium Laser)
- **Typ II** Cutting on anogenital skin and mucous membrane (z.B. Er:YAG), Erbium ablative
- **Typ III** Resurfacing (Erbium, CO<sub>2</sub>, fracational RF, Microneedling RF)
- **Typ IV** Vascular (long pulsed NeoDym YAG, IPL, Alexandritlaser, KTP)
- **Typ V1** Endogenous pigmentet lesion (f.e. lentigines, senile lentigos on hands)
- **Typ V2** Exogenous pigment (z.B. Tattoos, etc. with q-switched lasers)
- **Typ VI** Permanent hair reduction (Alexandrit, Nd:YAG, Diodenlaser, IPL)

After the internship as a MLA the participant is capable to prepare all the laser classes type I-VI, which are described in the certificate of competence for medicals. She will also be capable to assist doctors in medical laser treatments. Furthermore, the participant will be able to perform delegated laser treatments under medical supervision.

The costs for a 3-day-long internship amount to CHF 800. The amount will be invoiced by the Smartaging Swiss Academy AG and have to be transferred by the start of the internship to the bank account listed below.

Send the confirmation of the basic course and the confirmation of the MLA Internship to [info@sgml.ch](mailto:info@sgml.ch) and the certificate will be sent to you. Processing fee: CHF 50.
